

Invitation to all Wongan Hills-Dalwallinu

Anglicare WA End-Of-Life Planning

A very popular day on offer where you can ask the questions you have always wanted and plan things you never knew you needed to plan.

The first part of the day is an Information Session with a lawyer, funeral director, and priest. A discussion planning for the later stages in life to make it easier for all.

The second part of the day is an opportunity to have a Will Written with a lawyer at a fraction of the normal price.

Bookings for both are essential, especially if you are:

- Writing your first Will
- Planning later stages in life
- Deciding on an Executor for your Will
- Concerned about what to expect when it's time
- Leaving a legacy you can be proud of
