

**TRAINING**

## **GROUP SUPERVISION**

PRESENTED BY: LARA STEEL

Lara Steel is the General Manager of Practice Excellence at Anglicare WA. With a strong background in Community Services Management and Clinical Supervision, she has worked in therapeutic and case management roles across the domestic violence, refugee, children's counselling and mental health sectors. She holds tertiary qualifications in Counselling, Psychology and Forensic Sexology.

**Date:** 16 February 2018

**Cost:** \$240 per person (incl. GST)

**Time:** 9.30am-4.30pm

**Location:** Albany

### **Course Overview**

This workshop extends supervisors knowledge and skill to the context of group supervision. It reviews common presentations of group dynamics and stages of group process. It provides structure and principles as well as an opportunity to practice both leading and effectively contributing to group supervision.

### **Who is this workshop suitable for?**

It is suitable for new or experienced supervisors within community services and helping professions who would like to build confidence in this area or refresh previous knowledge.

### **The one day workshop will cover:**

- Group dynamics and stages in the context of supervision
- Styles and models of group supervision
- Ethical considerations in group supervision
- Reflective practice in group supervision
- Leading group supervision
- Contributing effectively to group supervision processes

### **By the end of this workshop participants will:**

- Have an increased understanding and skill in leading and contributing within a group supervision process.
- Increased their skill in reflective practice within a group setting.
- Increased knowledge of stages of group process and group dynamics.

**If you wish to attend please complete a registration form.**
